An Assortment of Photographs – Page 1

Contributed by **Joe Richert**, Captain **Wally Lindemann**, **Jim Yanke**, **Merrill Price**, **Ed Henry** and **Mark Llanuza**. We found some from the old site, enhanced them a bit and here they are again. The “identity problems,” are gone, at least on this page! **Keith Luebke** identified none other than himself, 4th picture down on the right. **Bob Fisher** recognized **Merv “Chili” Childress** in the 4th photo down on the left, pointing out that “Chili” was a Chicago Terminal man. Sincere thanks to **Bob** and **Keith**!

Here's one of the Elk Grove jobs in 1977 with (left to right) **Asa Belt**, Engineer; **Gordon Johnson**, Brakeman; **Harold Greleaf**, Conductor; **Joe Richart**, Brakeman. Photo provided by **Joe Richart**.

The Bain switch run at Bain, Wisconsin, Summer 1989 with **Captain Wally Lindemann** on the way car.

Wisconsin Division Engineer **Keith Luebke**, 1990. **Keith** is President
of the Adams Chapter. Photo by **Mark Llanuza**

Illinois Division Conductor **Gene Renke**. Photo by **Mark Llanuza**.

The 408 at Villa Park. Does anyone recognize these guys? Photo by **Mark Llanuza**.

Illinois Division Engineers **Paul Henk & Rex Hauser** at Spooner, Wisconsin, 2001. Photo by **Mark Llanuza**.

Passenger Department Manager **Lou Nicotera** at Elburn, Illinois. This was a special train having to do with the new suburban service to Elburn. Notice the squad car off to the right – these guys have probably never seen a scoot before. Photo by **Mark Llanuza**.

Bill Davis (left) & **Merrill Price** (center) get 20-year pins at Marshalltown, Iowa on 11/08/83. Congratulating them is **W.E. (Bill) Freeman** (right), Iowa Division Manager - Mechanical. Photo from **Merrill Price**.

From Alma, Arkansas, the Spinach Capital of the World, comes this photograph of **Ed Henry**. It looks like he stocked up on the stuff Alma is famous for and also took time out to get his summer haircut!
