

Semi Annual Report
January-June 2024

As you see we have changed the Quarterly Report into a Semi-Annual Report.

The last 6 months have been very quiet. We had an excellent response on the renewals sent out to members, and once again they paid for more than 2 years membership.

Please continue to forward info regarding the status of members. It really helps to keep the records and Annual Report accurate. Information can be forwarded by telephone, email or US mail. In addition, if you hear of the death of a member, giving me the actual date of death and location is very helpful in getting a copy of the obituary for the records.
